Bomanite 

# Imagine

## **Your Private Oasis Awaits.**

Imagine a paving and decking material innovative enough to transform plain backyards into exclusive retreats, durable enough to withstand the test of time, and versatile enough to express any style. Imagine no longer. Bomanite architectural concrete has the answer to your desires. Around a pool or spa, or as a patio surface, Heritage Bomanite creates a unique environment that turns dreams into reality.

## Imagine The Possibilities.

*Refresh your senses with Bomanite.*

Imagine a sanctuary in your very own backyard. With Bomanite, your ordinary paving or decking can be transformed into an architectural masterpiece, creating a refuge from the worries of the day.

*With Bomanite, beauty is more than skin deep.*

Bomanite architectural concrete can accentuate your pool or spa, and turn your private space into a visual celebration. With an impressive palette of colors, and a wide selection of textures and patterns to choose from, Bomanite provides the aesthetic appeal of natural materials such as slate, granite, sandstone or used brick, with the strength and lasting value of concrete.

*With Bomanite, the space you create today will look just as beautiful decades from now.*

Bomanite is the original cast-in-place architectural concrete, and after almost five decades, still the finest custom paving and flooring product in its class. Only Bomanite offers you design

choices, durability and ease of maintenance. Whether you're planning a patioscape, spa retreat or pool deck, you can count on Bomanite's enduring quality and craftsmanship.

*Dive into luxury with Bomanite.*

Heritage Bomanite is a highly skilled and specially trained Bomanite contractor, and will work with you to design beautiful and luxurious patios, walkways or pool decks. Let Heritage Bomanite create an oasis in your backyard today.
